

Ultimate 5th Wheel Connection
(Part # 3225 and 3235)

NOTE: Part # 3235 is identical to the 3225 except that the square coupler that connects to the gooseneck ball is 4" longer than the 3225 version.

King pin coupler block (for 3200, 3225 and 3235)

NOTE: The above king pin coupler is included with Part # 3200 (rail mount), 3225 (gooseneck mount) and 3235 (extended gooseneck mount)
